Product Specification Sheet

Targus 15” Vertical Slip Case

Part #: TVS200

Product Description:

The Targus Vertical Slip Case is a lightweight solution for carrying laptops with up to 15" screens. Made of neoprene, this case has memory foam lining that molds around your laptop, keeping it secure. The vertical orientation and the dual handles make this ideal for slipping in and out of a backpack or comfortable to carry alone. Also included is an internal identification card holder and rings for a shoulder strap for those that wish to add one. Easy to use alone or in a backpack makes this slip case a simple, cost effective solution to take your laptop to school, on business or just out of the office.

Product Features and Specifications:

- Internal identification card holder
- Shoulder strap rings in case the user wants to add a shoulder strap
- Memory foam padded sleeve to fit screens up to 15”
- Vertical orientation to fit into most backpacks
- Dual handles for easy removal from a backpack
- Horizontal reflective tape for added visibility during night travels
